The Nugget Is California's Leading Mining Weekly

# Nevada City Nugget

VOLUME III, NUMBER 36 THE GOLD CENTER NEVADA CITY, NEVADA COUNTY, CALIFORNIA, THE COUNTY SEAT PAPER JULY 22, 1929

## POWER LINE WILL BRING NEW ERA OF PROSPERITY TO EAST BELT COUNTRY

The new power line to be constructed southeastward from Alleghany to serve a large number of mines in the East Belt is the biggest forward looking move instituted by the Pacific Gas and Electric Company in the history of Nevada county mining. It will mean the eventual rehabilitation of numerous mining properties which have been dormant for many years. The East Belt has wonderful production possibilities and with cheap and adequate power facilities provided, will do much toward putting this section of California on the mining map again.

With the surveys completed, the matter of preparing estimates and procuring of rights of way will be all that remain before commencing actual construction. Construction is expected to consume not to exceed sixty days which should mean power ready early this fall.

The power company will also be busy extending the line from the Wisconsin mine several miles into Downieville and open up a promising mineral territory there.

Leaving Alleghany the line will cross the properties of the Irelan, Gold Canyon, German Bar, Twin Sister, Hegarty, National-Republic group and on to the Spanish group. Short feeder lines will be constructed to supply the Gaston Ridge and Ancho groups. The total consrtuction distance involved is not great but it means immense possibilities to the mining industry which has been languishing in that section for a number of years. With the upper water supply going into other parts the operators who have been depending on water power to operate their plants, have found their water supply dwindling away of late years almost to the vanishing point with the result that mining has been but desultory.

The initial installation at the Spanish properties will run several hundred horse power and is expected to far exceed that as the property gets into full production. The other properties will bring the total consumption up to a considerable figure.

One of the properties to be particularly benefitted will be the Twin Sisters property being developed by Mendocino and Sonoma county capital and Southern California interests. This mine is one of the biggest potential producers of high grade rock that the county boasts but has been held back for some years by inadequate facilities. Last year water power was installed to operate the compressor but it proved quite unsatisfactory and the coming of electric power will mean a full development program instituted to bring the property onto a production basis at an early date.

The German Bar has been operating with gas power but has been contemplating a much larger development with electric power available. L. L. Poates who has extensive properties adjacent to the Twin Sister is contemplating the reopening of his group as soon as power is available.

The effect of the new power line will be readily discernable at an early date in the new impetus given to gold mining in the East Belt territory.

### CLYDE TILFORD PASSES

Clyde Tilford, well known miner of Sierra county and an ex-service man, passed away at Alleghany last week nd the remains were brought to the Holmes Funeral Home. His brother J. D. Tilford learned of the sad news on his recent return from an extended exploration trip into Death Valley. Clyde had operated around the Forest section and J. D. has mining interests at Sierra City. J. D. was in Nevada City Saturday on his way to Downieville to secure some personal effects of his brother. No arrangements for the funeral have been completed until the various members of the family have been heard from.

James Grimes, of the American Flag mine, was in Nevada City a few days waiting for some friends to arrive from the bay region.

## PROOFS LABOR MINING CLAIMS CROWD RECORDS

The following is a continuation of the proofs of labor of mining claims printed in last week's issue of The Nugget:

Stonewall Jackson et al quartz by W. P. Cline

Stark and Hope asbestos claims in Washington District by H. O. Kohler for J. H. Stark et al.

Magnet, Magnet No. 1 and Golden Dream quartz in Washington District by H. O. Kohler et al.

Golden Heifer, Brandy Flat and Morris quartz by H. O. Kohler for R. D. Simpkins et al..

North Bullion and North Bullion Ext. in Grass Valley District by M. S. hite for Bullion Cons. Gold Mining Company.

Iron Pot, Last Chance, Rainbow, Yellow Jacket, No. Sixteen, Butte and Crows Nest quartz by F. C. Whitwell for Minerals Exploration Trust.

California Nos. 2 3 5, Reservoir claim and You Bet No. 1 placer in Red Dog District by T. B. Brady for You Bet Mining Company.

Maybelle placer in Sec. 31 T16N R10E. by T. B. Brady for George Wright.

Marylands Nos. 1 to 23 lode claims in Grass Valley District by claims in Grass Valley District by Errol MacBoyle for Idaho Maryland Mines Company.

Idaho Nos. 4 8 9 10 11 13 14 lode claims in Grass Valley District by Errol MacBoyle for Idaho Maryland Mines Company.

Irish American Bar placer in Rough and Ready District by Thomas Callaghan.

Dough Boy quartz in Nevada City District by George J. Hothersall.

Hazel Green placer in Quaker Hill District by John K. Williams.

Gold Bank and South Gold Bank claims in Washington District by Theo. A. Kohler.

South Diamond No. 1, South Diamond, Blister, West Diamond, Black Diamond, American Wonder, Southern Cross, Quartz Lodge, Black Diamond the 2nd, South West American, Santa Anita West, South Rita and North Rita lode claims by James Bradley in Washington District for Spanish mine.

Quartz and Asbestos, Asbestos Quartz, Cotton King Asbestos, Cotton King Extenion Asbestos, Lent Asbestos and Gold lode claims in Washington District by J. H. Stark, J. L. Foisie, Frank J. Smith, James Snell, Jennie E. Reed, Dorothy J. Doughty and Arthur M. Ludovici.

### NEW STAGES USED

The Pickwick Stages system is now using 24 passenger Yelloway parlor cars on the run from Sacramento to Nevada City and they have been exciting quite a bit of comment along the street as they are about the most modern ideas in passenger coaches.

Five Truckee liquor dispensaries were raided by operatives from the sheriff's office last week and each paid a $150 fine in Judge Ocker's court.

Miss Bessie Scarfe of Berkeley is here visiting with her aunt, Mrs. Harry Evans.

Tillie Pasteris of the Hotel Italia at Grass Valley, changed her plea of not guilty to guilty to the charge of illegal possession of intoxicating liquor and was fined $500 in Judge Mulroy's court last week.

George K. Pells was arrested for fishing within 150 feet of the Van Guiesen dam. Judge W. L. Mobley fined him $50.

District Attorney and Mrs. W. E. Wright and daughter, Eugenie, are home from a business trip to Truckee. Miss Geraldine Gilcrest of Berkeley, who has been staying at Tahoe, accompanied them home for a week's visit.

Mrs. John Lopez is seriously ill in a Sacramento hospital.

## STATE FAIR EXHIBIT IS BEING ARRANGED

R. A. Eddy and R. N. McCormack representing the Nevada County Development Association were in Sacramento last week arranging for the space to be utilized for the exhibit from this county for the coming state fair. The display will be almost entirely devoted to minerals and it is hoped that one can be arranged that will focus attention on our wonderful resources. W. H. Griffiths will assist in the preparation of the exhibit and its management during the fair.

## SPECIMEN ORE IS STRUCK AT THE HOGE WORKINGS

Additional important discoveries of high grade ore in the Hoge Development Company holdings north of town in the prospecting work, further substantiate the belief of those heavily interested in the company that they have the makings of a real mine. General Manager Arthur W. Hoge brought into town the past few days a large specimen of ore that was literally shot with the precious yellow stuff and set those who were privileged to view the find to seeing visions of a large mining camp springing up on Harmony Ridge in the near future.

President Hoge reports that after a conference with C. L. Walthers, the chairman of the board of directors, who recently spent about two weeks here, and who was accompanied by two important stockholders, Dr. Styler and Mr. McKay, that an agreement was reached whereby an important program of development will be put into execution, as soon as all of the necessary details are worked out by Messrs. Hoge and Uren.

This program was left entirely in the hands of Mr. Hoge and Mr. Uren in whom they all expressed every confidence. They also stated that the prospective stage of development, plainly showed to them, that the properties of the Hoge Development Company, showed all of the necessary indications for the development of a big producer. Consequently the three parties who were here agreed to take over a large block of treasury stock for the purpose of carrying out the plans that were agreed upon while they were here.

They own and control an immnese acreage in the granite-slate contract belt, and have made some very important discoveries, that are convincing evidence, for the development of one of the big mines of the district.

The editor of this paper has predicted success for their company, because of their large acreage in a heavily mineralized zone, and in a virgin territory. And last but not least because the management of this company has got the reputation of honestly expending every dollar that comes in to the treasury of the company, which after all, is one of the important factors, for the consideration of the interests.

No protestants were made to the board of supervisors sitting as a board of equalization over the assessment list of the county as prepared by County Assessor Henry C. Schroeder and his efficient force of deputies.

Congressman H. L. Englebright has returned from a business trip to San Francisco. Mr. and Mrs. A. E. Englebright of San Rafael are visiting at the Englebright home in Nevada City.

Harry Quigley, graduate of the local high school, passed through Nevada City recently on his way to Downieville to visit his parents, Mr. and Mrs. H. E. Quigley.

Mrs. Royce Smart of Elko, Nevada, is visiting in Nevada City with Mrs. Merle Edminster and friends in Grass Valley.

Mrs. Annie Dow of Berkeley is visiting Mrs. C. R. Murchie. Mrs. Dow is a former resident.

Mr. and Mrs. Howard Reynolds of Woodland are visiting friends in Nevada City.

## GERMAN BAR IN TUNNEL THREE CUTS ORE SHOOT

Development work in the No. 3 tunnel at the German Bar property reached its objective this past week at a point 595 feet from the adit and the ore shoot uncovered in tunnel No. 2 was cut into apparently. As soon as the work has progressed somewhat further raises will be run to No. 2 level and the ore blocked out ready for milling.

The ore appeared in the face of No. 3 at about the point expected and shows up well in values. Work will be started shortly in No. 2 tunnel and in No. 4 which is now in 635 feet. No. 2 is in 780 feet.

As soon as the new power line from Alleghany to the Spanish property is constructed it is the intention of Thomas E. Stephens, owner of the German Bar to install a mill as he has already a good tonnage of milling ore blocked out sufficient to keep a mill going for some time and with development work progressing steadily by the time the mill is in it should be possible to get under good headway.

When the work in No. 4 is started pumping equipment will be installed to dewater the old winze which was sunk in early days under the rich ore shoot and from which around $50,000 was taken out at this point. The heavy flow of water drove out the early day miners.

Mr. Stephens who is in personal charge of the operations was in town Saturday afternoon on his way to Placer county for the week end. He reported himself as well pleased with the showing made in the property so far and expressed the belief that the new power line into the East Belt will have far reaching consequences on future development of the quartz mining industry in Nevada county.

## PLACER PROTESTANTS LOSE COURT ACTION

The Placer county separatists who desire to be excluded from the operations of the Nevada City Irrigation District lost another tilt in court the past week when the action brought by John A. Fairchild to secure the exclusion of his lands was dismissed by Superior Judge Engs sitting in the local court. It is reported that the ruling will be appealed to the higher courts.

## MRS. MARY SILVA HAS CROSSED INTO BEYOND

Mrs. Mary Silva, aged 58, passed away yesterday at 12:30 following in illness. She was the relict of the late Tony Silva. Funeral services will be held tomorrow Tuesday afternoon at 2:30 from St. Canice's Catholic church.

Deceased was born in Nevada City and hd spent her life in this community wher eshe was highly respected by all who knew her. Surviving are a daughter, Mrs. Ruby Harris of Sacramento; two sons, Clarence of Sacramento and Raymond of Nevada City; a sister Mrs. Mary Comarsh of Yuba City; three brothers, John, Tony and Frank Costa of Nevada City, and three grandchildren.

The Holmes Funeral Home is in charge of the arrangements.

## ON THE SILVER SCREEN

MONDAY — "Stairs of San." Comedy. MGM News.

TUESDAY and WEDNESDAY— "Circus Rookies." Comedy.

FRIDAY — Rex, the wild horse in "Wild Blood." Last episode of Tarzan the Mighty.

SATURDAY — "Trooper Madness." Vacation Waves is the comedy.

SUNDAY and MONDAY— "The Betrayal," with Emil Jannings. Comedy. MGM News.

Wade Armstrong received a cablegram from his wife saying she had arrived safely and had a pleasant voyage on her trip to Honolulu. Her sister, Miss H. K. Ward, accompanied her.

## MINING LOCATIONS ARE PLACED COUNTY RECORD

The following mining claims were filed for record the past week:

Winnemucca, Hazen, The Elko, Reno, Hill Top, Oro Fnio, Sugar Pine, Nocturn, Humboldt, Valente, Valente Nos. 1 2, Serpentine, Serpentine Nos. 1 2 3, Nevada, "Mr. Sheehan", Poorman, "Mr. Gallagher", located by Lloyd C. White and E. A. Gribben in Washington Mining District, filed by James Bradley, witnessed by Ralph W. Fortier.

Buzzard quartz in Nevada County Mining District and adjoining Andy Fitz Mine locator J. J. Fitzgerald.

## NEW BALL MILL INSTALLED AT A PROPERTY HERE

With the installation of the new equipment in the mill at the mining properties of the American Foundation Company east of town practically completed it is expected that large operations will be under way at this famous property at once and put it again as one of the large producers of the district.

A large ball mill, classifier and oil flotation have been added to the 20 stamp capacity which will step up the production capacity to the equivalent of around sixty stamps, the present stamps being used for coarse crushing. The new equipment has been worked out on test runs but it was found necessary to make some changes between the classifier and the ball mill before starting in on regular production. These changes will be made and it is expected that this week will see regular production resumed.

Prior to the addition of the ball milling equipment, the stamps were dropping regularly on excellent milling ore from the property on the 400, 1000 and 1150 levels. Development has been kept well ahead of the mill and a good tonnage of ore has been blocked out which will insure long time operations. The water power plant is being gradually superseded by electrical equipment, an electric hoist being installed and a larger compressor. The Cornish pump is still being run by water power.

A crew of from fifty to sixty men is regularly employed which means a good payroll for Nevada City.

## NICHOLSON FINDS A NUGGET IN DEER CREEK

Henry Nicholson, sheriff of White Pine county, Nevada, while on a visit here to his old home on Deer Creek below the Champion property picked up a nice looking piece of specimen float ore that was well plastered with the yellow. Shows that the early day birds didn't get away with all of the stuff.

### LOCAL BOY ADVANCED

George Osterman, engineer, has been promoted as field manager of the Pacific Coast for the Bureau of Business Standards. He is a bright, and clever young man and has traveled extensively for his company in the last few years. His advancement will be no surprise to his many relatives and friends here.

It is with pleasure we see the local boys advance in the world and make splendid records.

He is the son of Mrs. Clara C. Scarfe of Boulder street.

Fifteen cans of trout were taken to various streams in the Alleghany district recently and distributed. The Forest Service received the consignment and Ray Hawkins of the Alpha Hardware store came down for them.

Mr. and Mrs. Darrell Coughlan and daughters, Marylin and Jean of Alameda visited at the W. S. Coughlan home recently.

A. J. Heether has as a visitor his cousin, Richard Heether of Tacoma, Washington.

Ignition Parts and Accesories at Miner's Foundry. 24tf

## GRACIE SHAFT IS MAKING SPEED DOWN 54 FEET

Indications for developing a real producer at the Gracie property are very good as the deepening of the shaft 150 feet to open up the fine ore shoot uncovered last year is well under way. Donald Woodrum of San Francisco who has the property under bond has been at the mine over the week end and expresses himself as highly pleased at the showing made so far.

The new work in the shaft is now down 54 feet below the 190 level and making good progress. As soon as the 150 foot depth is reached, a station will be cut out and drifts run to determine the extent of the shoot. The three claims in the group lie on the strike of the Orleans vein system which extends from the famous Champion group to the rich mines under Banner Mountain which are expected to be opened up the coming year with the clearing up of the litigation. The Nevada Basin properties which are practically virgin territory contain some of the richest ore showings in the district and once opened up and developed should make new mining history for this famous old camp.

The Gracie property has excellent surface equipment, being newly installed last year. The massive headframe is one of the best in the district and will handle the work to a great depth. An electric hoist and a large compressor with adequate pumping facilities were installed. A ten stamp mill and concentrating plant complete the equipment. A new compressor is also being installed today. Power is obtained from the Pacific Gas and Electric line.

The Gracie patented claim which is one of the group covers 1500 feet along the Gracie-Glencoe vein which lies in the narrow belt of Calaveras slate between the diabase on the south and the granidiorite on the north. The strike of the vein is n. 80° W. and dips 85° south. The outcrop of this vein is one of the most continuous in the district and can be traced from the Glencoe, which adjoins the Gracie on the east and is a part of the group for a distance of three miles westward. The vein is said to average 2 feet in width.

R. N. McCormack is in charge of operations for the Woodrum interests.

### MISS MARGARET BOUVIER WEDS ALBERT CHAPMAN

Miss Margaret Millie Bouvier, daughter of Mr. and Mrs. Charles F. Bouvier, was wed Saturday afternoon at 4 o'clock to Mr. Albert R. Chapman of Sacramento. The ceremony was performed by the Rev. H. H. Buckner under an artistic wedding bell fashioned from ferns and sweet peas in the Bouvier home.

The bride wore an afternoon frock of pink georgette and carried an arm bouquet of pink rosebuds. Miss Audrey Thomas as bridemaid wore a dress of beige georgette and carried a bouquet of orchids and pink delphinium. The groom was attended by James Brown of Sacramenteo.

Following the ceremony the happy couple left on a honeymoon trip to Lake Tahoe and will be at home at 530 10th St., Sacramento where the groom is connected with the dentification Buerau in the Sacramento office of Captain Fischer.

Both young poeple attended the public schools here and graduated from the high school in 1926.

Out of town guests present were Mrs. Phillip Chapman, Mrs. Ida Schnitzel and Mrs. Fred Crabbe and children, all of Sacramento; Mrs. H. O. Beik, Mrs. C. Clemens and Mrs. Walter Fish, all of Oroville.

### NETZ RETURNS

L. Netz has returned from a two week's stay at Campbell Hot Springs and has reopened his Nevada City Mounmental Works. He received some relief at Campbells and is in somewhat better health.

Peter Johnston of North Columbia visited Nevada City recently.

## COZY CORNER CHAT

THE PRESENT AGITATION by the city trustees in putting a few teeth into the traffic ordinance in which quite a few of the tax payers' shekels have been invested, is likely to lead to a tightening up of the wide license which has been given the motoring public. Chief of Police Shearer had worked out a nice system which was getting results through using Driver Hallett of th efire department and the city treasury was reaping some real cash benefits and no one was being gouged either. Someone came along however and said the fire department was getting a black eye as a result and that the driver was expected to stay at the fire house 24 hours a day on active duty. Result, the traffic inspection work ceased. The first thing for the fire department to consider is that the city trustees are providing the mony to pay the driver and they should have some measure of control over his work also. In the next place it is illegal to call for 24 hours a day service from any individual. The city is not in a position to use a full time traffic officer with the consequent expense. If such were the case there would have to be so many arrests to keep up an appearance that the practice of pinching motorists on every occasion would soon become obnoxious and Nevada City would be getting some undesirable advertising. There is no need of having a special traffic officer here but there should be some one patrolling the business section and cease this backing out of streets into traffic to avoid going around the block, the fagrant use of the streets by the outside trucks without regard to the traveling public, and wronk parking. If only the streets were marked as they now promise to be and then some intelligent attention given to educating the motoring public that there must be respect for the traffic ordinance which was enacted in keeping with the uniform state ordinance, life and limb will be safe here. Chief Shearer had the right solution of the problem of keeping the streets patrolled at a minimum of expense and it is to be hoped that the fire department will fall in with the idea and make it possible to keep up a semblance of enforcing the traffic laws. The trustees are anxious that Nevada City shall be a model city, with reasonable license for its citizens and visitors but a little backup for those who do not desire to show a desire to keep within decent limits. Let the trustees proceed with the marking of the parking and loading zones and then see that the motoring public shall use proper discretion when using the streets.

MINING CONTINUES to advance with great regularity in this section of California and it is noticeable from our list of exchanges which cover every mining district in the state, that Nevada county is leading them all in point of activity, and on a large scale, too. The present activities of the American Foundation Company in installing the most advanced type of milling equipment in an attempt to catch the elusive values is going to do a lot for this district in educating the mining population that there is something to a quartz mill more than a few stamps and concentrator. Every time you mention a ball mill around here it seems to be lese majesty for has not the stamp mill been king from time immemorial. The stamp equipment can be made a good adjunct of the modern plant for coarse crushing, but with a ball mill added for fine grinding and regrinding makes a combination that is well nigh complete. If the financing of the Nevada Basin plans can be consummated at an early date now that litigation is out of the way, and such financing seems to be under way, there should be an era of activity in this district such as it has neevr experienced in all its hectic experience. Nevada City has not had a chance yet with its unexcelled mineral possibilities but it now looks that she is coming into her own with a veangeance. The developments at the Hoge properties give every appearance of opening up a new quartz district that is almost entirely virgin ground. Developments at the Champion property are promising. The day has come now when investors are looking for properties with a promising future.

THE INSTALLATION of the new power line into the ashington-Graniteville country is about the biggest thing that could happen to Nevada county mining and the Pacific Gas and Electric Company is going to reap large returns from its investment. Cheap dependable power has been the crying need of the East Belt for many years and now the need seems fair to be met in an adequate way. There are many properties in the line of the projected construction that possess potential riches only awaiting the investor and the power to make possible their development. AAW

Mr. and Mrs. O. H. Fuller and Mr. and Mrs. Ray Fuller of Loomis visited Lake Tahoe recently.

Lawrence Chatsworth, who has been with the Standard Oil company for 27 years, was up from Oakland for a short vacation. He visited his little daughter who was camped at Lake Vera with the Oakland Camp Fire Girls.

## CAMPTONVILLE PERSONALS

Two representatives of the Southern Pacific Company, including their photographer were in this section Thursday taking data on a forty-nine trail which their company proposes to inaugurate this next year. The trail will be from Sacramento, going to Truckee, over the Yuba Pass, through Downieville and this place on through Nevada City and Grass Valley back to Sacramento, making it in one day, running large busses, with tourists who are sightseeing in California, wishing to review the country with the early day atmosphere. The Sacramento Region Citizens Council has been working on a '49 trail for quite some time, wanting to have all the pioneer historical spots of the state marked so that their story and location can be preserved for future generations. Forest Service officials are also interested in having landmarks preserved.

W. H. Wayman, familiarly known as Bud, was seriously injured at his home at Pike City Wednesday morning when a shot gun exploded in his hands. Wayman was shooting at jack rabbits on his ranch there, the first barrel went all right, but when he pulled the trigger for the second the gun blew up, shattering his arm with steel. He was weakened considerable by the loss of blood and was rushed to the Nevada City Sanitarium where X-Rays were taken, revealing a large piece of iron next to the bone near the elbow, but the bone was not broken. Although the injury will not prove serious, it will lay him up for quite a time before he will be able to use his arm and hand again.

Robert Beame of Pike was a business visitor Friday.

Owsley Gray arrived Friday from Oakland to join the other members of his family visiting at the Joubert home at Oak Valley.

William Groves made a short business trip to Nevada City Saturday.

Mr. and Mrs. William A. Long motored to Nevada City Saturday.

Lawrence Richards of Grass Valley was in town Sunday.

Ray McCullough of North San Juan spent Sunday in this section on business.

Clifford Wayman, wife and family and party of friends of the bay district, spent several days camping on Oregon Creek.

Owen Eddy and Miss Lesta H. Joubert motored to Sacramento Sunday, Mrs. Virginia M. Lord, of the Masonic Home at Decoto, who has been spending part of her vacation here, accompanied them. Mrs. Fred J. Joubert who has been visiting relatives at Sacramento, returned with them.

Mrs. Bob Roberts arrived a few days ago from San Francisco on a short visit to her mother, Mrs. Jos. Sommers, at Mill Creek.

Mr. and Mrs. M. R. Carlson motored to Grass Valley Tuesday.

Mrs. Leonard L. Bishop and daughter and Mrs. John G. Ramm of Oak Valley spent Tuesday in town visiting Mrs. M. G. Calvin.

Mr. and Mrs. Abner Kennady motored to Nevada City Tuesday.

Mrs. John Collins and son, Clarence, motored as far as Auburn with Miss Alice Collins who is now visiting in Palo Alto.

Mr. and Mrs. Hiram Bray and son, Eugene, are the guests of Mr. and Mrs. Charles Woodberry.

Mr. and Mrs. George Trezise had as guests, Mrs. Phil Mason and son, Buddy, and Mrs. Marie Krosha, all of Oakland.

## CHEROKEE PROSPERS

....CHEROKEE, July 20, (Special to The Nugget)—Mr. and Mrs. L. Garibaldi have returned to their home at Cherokee after a month's visit with their daughter, Mrs. E. Pollard, who lives on the Ukiah highway. Mrs. Garibaldi's grandson, Junior Garibaldi, and his boy friend of Oakland are visiting them.

Bill Zanocco was called from the Salmon mine . His sister, Mrs. John Lopez, being ill in the Sutter hospital in Sacramento.

Mrs. Lee Day and Mrs. R. McNamara attended the lodge of the Pocahontas Monday night in Nevada City.

Mike Phelan of Dunsmuir visited his parents, Mr. and Mrs. K. J. Phelan.

On Sunday Mary and Everett Puller returned home after spending a week with their grand parents, Mr. and Mrs. K. J. Phelan.

The Salmon mine is now fixing up their mill getting ready to start crushing thier rock that they have taken out.

Mr. and Mrs. E. Frost were visitors in Auburn Sunday.

Mrs. J. Phelan and her mother, Mrs. T. Flynn, have gone to the bay cities to spend their vacation of two weeks.

Billy Farrel of the Salmon mine was a visitor in Nevada City Sunday evening.

K. J. Phelan celebrated his birthday Sunday at the Cottage Ranch. His little granddaughter, Miss Mary Puller, made his birthday cake. There are six grandsons in the family and Mary being the only granddaughter.

James Coughlan of Columbia Hill and James Phelan took some fine veal calves to Calanan and Richards Thursday.

The water is out of the ditch again and our neighbors who are depending on it for water are losing their gardens and also have no water for household purposes. People don't know what a great loss this is until they have a trial of packing water a couple of miles.

Mrs. R. Maitland, Tom Phelan and Alton Moody were business visitors in Nevada City Saturday.

### DOWNNG SUCCEEDS LEACH

Paul M. Downing, who has been vice president in charge of electrical construction for the Pacific Gas and Electric Company, will on August 1st succeed to the general managership of that company, following the resignation of Frank A. Leach, Jr., who is going into private business. The election of Mr. Downing come as a well merited promotion as he is a most capable executive.

### LELAND ROWE SUCCUMBS

Leland Rowe, popular young business man of Grass Valley and chief of the fire department there, passed away in Oakland last week following a lingering illness. The remains were brought to Grass Valley and the funeral services conducted from the Congregational church Friday afternoon were among the largest attended in many years, attesting to the high esteem in which the deceased was held. This is the second bereavement in the family in a comparatively short time, Supervisor D. S. Rowe passing away last year.

### INSTALLS NEW MACHINERY

George Hitchens, who does about as nice shoe repairing as can be found in any shop, has just installed a latest model Goodyear welt stitching machine which does beautiful sewed work. George's work and prices are bringing him new customers regularly.

### FRENCH MEADOWS ROAD CLOSED TO PUBLIC

Under the authority vested, District Forester R. L. P. Bigelow has announced that the French Meadows road is to be closed to public use except under permit, commencing August 1st next.

# PROGRESS

THE SPIRIT OF PROGRESS which urged the pioneers forward across the Plains, the Rockies, and the Sierras, is today alive and vital in building a greater California of which these pioneers did not even dream. Banking lies at the foundation of this orderly economic development.

In the Bank of America you find this Spirit of Progress to an unusual degree. Anchored on a conservatism which knows no compromise, yet forward-looking in its policies and principles, this bank is rendering to its customers a service which is intelligent, interested, and personal.

Make this bank your bank . . . and you will realize that there is an institution as sound as it is friendly . . . as useful as it is progressive.

**A COMPLETE TRUST SERVICE**

*To the permanency and financial responsibility of a corporate trustee, the Trust Department of this bank adds the advantages of state-wide facilities, years of experience, and the most modern type of equipment in conducting all forms of trust activity for its clients*

## FRENCH CORRAL ITEMS

FRENCH CORRAL, July 20, (Special to The Nugget)—Well, more than half the month gone, and it really sems but yesterday since the 4th! With the temperature ranging between 80 and 90 degrees during the day and nights really chilly, no one seems to complain much.

Tourists to these parts think eerythivng "perfectly delightful" anyway. We will tell about some of them.

Mr. and Mrs. J. E. Fox of San Francisco were here Friday. Mr. Fox who represents Moore & Co. was selling optical goods.

J. Swazey and H. Musfield were Friday evening visitors.

Mrs. Grace Oliver and her niece, Miss Mary Maloney, of Santa Rosa, who have bene spending some time at the summer home of their aunt, Mrs. Franciscovitch, went to Marysville for a visit this week.

Mr. and Mrs. Jos. Fogarty of Hammonton and Mrs. Fogarty's mother, Mrs. Josie Dalberg of Sacramento, were Sunday visitors.

Wm. Torpey and his sister, Mrs. Flanery and son of Marysville called on friends Sunday.

Bill and Walter McCullough were Sunday visitors.

Mrs. K. Broyles and daughters, Alpha and Louise, and Mr. and Mrs. A. Labour and children of Sacramento spent Sunday at their old home in French Corral.

Miss Theresa O'Conner and brother, M. O'Conner, of Birchville were Sunday visitors.

Sunday is the day for autoists, and if we could give the names of all who pass through this section on that day, we could fill many columns of The Nugget. It is really a treat to see the many beautiful machines.

Miss Louise Mitchell, Mrs. Mary Mitchell and Mrs. L. Hardenbrook went to Grass Valley Monday afternoon. Mrs. Mtchell had been visiting her sister, Mrs. Hardenbrook, who is spending the summer with her brother, Thomas Meyers of this place.

W. E. Moulton made a trip to Sacramento Monday night. He was accompanied by his daughter, Louise, and Mrs. E. Sutherland and son, Richard. The ladies will visit with friends in Sacramento for the week and will then go to San Francisco where they will visit friends and relatives.

Miss Margaret Thomas, who is employed in Nevada City is visiting her parents, Mr. and Mrs. Herbert Thomas of Birchville.

Miss Millie Clerkin is spending the wek at her home in Pike City. Her brother, W. P. Clerkin is near that place attending to his cattle.

Clyde Browning made a business trip to Downieville this week.

Mr. and Mrs. Harry Lambert and little daughter, June, of San Leandro visited friends and relatives Wednesday. It was Mr. Lambert's first visit to this section. Mrs. Lambert, who before her marriage was Ruth Fogarty, was born in North San Juan and her childhood and girlhood days were spent at that place, Birchville and French Corral. Her parents, Mr. and Mrs. Jas. Fogarty, moved to De Sabla where Mr. Fogarty has been in the employ of the P. G. & E. Company for many years.

Mr. and Mrs. Clark and family of six childrne of Hammonton have come to French Corral to reside They have rented the old Glaister home. We like to see families like that move in as it means keeping up our school aatendance.

Mr. and Mrs. Bobb and children of Shady Creek visited Mrs. Bobb's sister, Mrs. Clark, this week.

F. Bender and Arthur Ford have been spending the week in French Corral.

Mr. and Mrs. Ray Smith and children who have been spending their vacation in French Corral returned to their home in San Francisco Thursday.

**MURPHYS VISIT HERE**

Mr. and Mrs. Walter L. Murphy, publishers of the Sonoma Index Tribune of Sonoma county were week end visitors in Nevada City and Grass Valley. Walter was here particularly to look over the scenes of the early day exploits of his grandfather, Sherman G. Lewis, who was editor and proprietor of the Foothill Tidings, one of the early day publications of the new mining camp. The week end previous the Murphys visited Mokelumne Hill where some of Mrs. Murphy's relatives had been in the newspaper game.

The Murphys come from a generation of newspaper people and are giving their community one of the best weeklies in California.

## FORMER SAN JUANER REVISITS OLD SCENES

Mrs. P. S. Masters of Seattle, a native of North San Juan, revisited th escene of her birth and early childhood the past week in company with her sister, Mrs. F. A. Losekamp of Santa Monica and her nephew, E. W. Ross of Everett, Wash. John Wellman, the father, was well known in these parts in bygone years. Five of the Wellman family were born at Willow Springs. Mrs. Masters attended the Washington Grammar school. The family left here over fifty years ago and in revisiting places on the Ridge and picking out some of the familiar old spots, it brought tears to the eyes to see the devastaiton that had been wrought through the undying antagonism of the valley farmers to permitting the one profitable occupation of the Ridge people.

Dr. and Mrs. W. P. Sawyer and daughtre, Miriam, are home from a vacation of several weeks at Alameda.

Supervisors Alex Robertson of Hobart Mills, J. A. Frank of Rough and Ready and E B. Dudley of North Bloomfield have returned to their home after attending the session of the board.

Mr. and Mrs. J. H. Suss had as recent visitors, Mr. and Mrs. W. H. Nunn and little son, Junior, of Los Angeles.

Frank Cole of Forest City was a visitor in this city during the week.

# Instant hot water offers you—

## 4 to 6 hours more freedom each week

Isn't it a wonderful convenience to always have plenty of hot water without bother or waiting?

Then it is easier to keep things sweet and fragrant. Each week you can have 4 to 6 hours more time for motoring, shopping or outdoor sports.

There is no need of watching the automatic gas water heater. You can have hot water day and night. It costs less than one-fifth of a cent per gallon—the lowest cost of any method for heating water in the home.

Details on replacing your old water heater with a new automatic gas water heater can be obtained at a dealer's store or by calling at our local office.

# CITY TRUSTEES IN TRAFFIC VERBALITIES

The traffic ordinance and ways and means of putting some kick into its enforcement proved the main topics of conversation at the monthly meeting of the city trustees Thursday night and it begins to look as if the trustees proposed to put teeth into traffic condition betterment here. The plan developed recently by chief of police Shearer in conjunction with Driver Hallet of the fire department was commented on by the city dads as being an excellent plan and one that does not tap the city treasury much for its operations. The matter of having a special traffic cop was brought up and evoked much discussion. New metal markers are to be purchased at once to marking Broad street in the business district for parking and loading zones and with the covering of the deep gutter in front of the Schreiber Building, it is expected that the street car will be eliminated from further backing around in the streets as a present obtains.

The matter of building concrete sidewalks where necessary was brought up and the city clerk was directed to notify all such property owners to get busy at once or building the walks or the city would proceed to do the work and charge it up to the property. A fence and curbing is to be installed on the Ellen Gregory property. The west wall of the city hall which presents a crummy appearance with the Bettencourt building removed is to be rebuilt at once with iron facing. The lot as soon as filled in will be parked. It developed that the curbs along the fire plugs had not been painted since 1923.

Trustee Seaman remarked that he wanted more action from the police department regarding picking up violatnrs and a general discussion was provoked in which it appeared that the trustees though there was too much laxity permitted the accelerator ticklers.

Chief Shearer stated that he desired a legal form of complaint drawn up so that he would have an airtight case on any speeders that tried the legal racket on him and that as soon as that was prepared he would get busy on the tagging stuff.

The following bills aside from the regular paychecks, were allowed

| | |
|---|---|
| N. I. D., water | $366.4 |

Joseph Slye and Miss Lulu Condon of San Francisco were in Nevada City last week to be present at court proceedings in regard to the Boundary mine.

# GRASS VALLEY SHOWS ITS APPRECIATION

That the Executive Committee which put over such a fine Fourth of July celebration in Grass Valley is appreciative of the efforts put forth by some of our public spirited citizens is shown in a copy of the following letter sent to Frank Davies and Elza J. Kilroy, who arranged an artistic float typifying the spirit of cooperation existing between the two communities:

Mr. Frank Davies,
Nevada City, California.

Dear Mr. Davies:—

The success attending the recent Grass Valley Fourth of July celebration was most gratifying indeed. That the people of the Twin Cities, "Still Know How", needs no further evidence.

The hearty cooperation of community spirited men and women of your city was one of the outstanding factors contributing to the splendid success of the day's celebration. Such harmonious unison of effort quite naturally put the undertaking over the top with a bang; providing not only an avenue of patriotic expression and a popular day of recreation for many people, but moreover, giving wide publicity of inestimable value to a region where we have interests of such a peculiar mutual nature as is scarcely to be found elsewhere.

Impressed by the friendly spirit of cooperation manifested by you in proffering your assistance to the committee in charge, and then to serve as a special committee for Nevada City; the mmebers of the executive committee wish to take this means of expressing their hearty appreciation of your valued cooperation and of congratulating you on the splendid showing made by the Nevada City floats.

Anticipating the pleasure of extending a like spirit of friendly cooperation to your City when next you celebrate, we are

Very truly yours,
Members of the Executive Committee
E. O. CHAPEL, Secretary.

### QUADRUPLE INSTALLATION

Neva Rebekah and Oustomah Odd Fellows lodges enjoyed a quadruple installation ceremony with the three link organizations from Grass Valley at the local lodge room Saturday night in a well attended affair. District Deputy Grand President Dorothy Bosanko acted as installing officer for the Rebekahs and District Deputy Noble Grand Al Seaman did the honors for the Odd Fellows.

Mr. and Mrs. Al Shorten and little daughter are enjoying a vacation along the coast. He is connected with the P. G. & E. Company office in Nevada City.

Misses Ruth and Frances Preston of Oakland visited Mrs. B. H. Preston for a few days.

Mr. and Mrs. T. A. Lane have returned to San Francisco after a visit with her mother, Mrs. George Mainhart, and family.

### PONEMAH COUNCIL RAISES ITS CHIEFS

In a colorful ceremony Ponemah Council, Degree of Pocahontas, raised its chiefs at its meeting last week, presided over by District Deputy Aileen Lewis and Senior Past Chief Grace Englebright. The following officers were inducted into their respective stations.

Rachel Penrose, prophetess; Helen Trevethick, Pocahontas; Mary Salmon Wenonah; G. W. Gildersleeve, Powhatan; Elma Hecker, keeper of records; Lenore Steger, collector of wampum; Lillian Stuart, keeper of wampum; Nevada Ostrom and Elsie Dent Scouts; Della Walsh and Isabelle Harry, runners; Nettie Gildersleeve and Juanita Trevithick, councilors; Aileen Lewis, Ernestine Eilerman, Jessie Costa and Virginia Ghidotti, warroiors; Louise Meyers, guard of the forest; Maragaret Lewis, guard of the tepee; Frances Eilerman, musician; Della Walsh, Nettie Gildresleeve and Virginia Ghidotti, trustees.

Miss Rachel Penrose, retiring Pocahontas, was presented with a Past Pocahontas jewel. Refreshments were served at the conclusion of the ceremonies.

H. J. McNeil, ex-service man, of Goodyears Bar has returned home from Mare Island, where he has been receiving a medical examination.

William Litchenberger, superintendent of the Brush Creek mine, was a business visitor in Nevada City the latter part of the week.

Henry Paine, of Paine Bros. Mine, was in Nevada City during the week.

### LAUREL PARLOR SEATS NEW TERM OFFICERS

The following officers of Laurel Parlor were inducted into office last Wednesday night with District Deputy Mrs. Olive Vincent as installing officer: Lenore Steger, past president; Lydia Gleason, president; Addie O'Connor, 1st vice; Matilda Schmidt, 2nd vice; Virginia O'Neill, 3rd vice; Nellie Clarke, recording secretary; Mamie Parson, financial secretary; Annie Darke, treasurer; Jennie Shearer, marshal; Annie Hooper, inside sentinel; Edna Maguire, outside sentinel; Lena Calanan, Katherine Williamson and Leila Hieronimuos, trustees, and Frances Eilerman, pianist. A past president's pin was presented to the retiring presiden, Miss Steger. Presentations were also made to Mrs. Margaret Fortier, Past District Deputy, and Mrs. Allison Watt, Past Grand President of the Order and Mrs. Vincent.

Mrs. Eddy is very ill at the home of her sister, Mrs. Evans on Boulder street.

Mrs. C. E. Mills and daughters, Marjorie, Marian and Doris, of Alameda are spending their vacation in Grass Valley. They are former residents of Nevada City.

Mrs. Frederick Isham, Mrs. J. L. Pease and Miss Concetta Bonomo of New York City are visiting at the homes of Judge and Mrs. G. L. Jones and Mr. and Mrs. G. J. Rector.

Miss Ada Rich is home from a vacation spent with her sister, Mrs. N. J. Rohr. Miss Rich had a fine visit and was interested in the fruits and vegetables grown at Watsonville.

### MISS NATHELLE BREESE WEDS IN SAN FRANCISCO

Miss Nathelle Breese, charming daughter of Mr. and Mrs. Fred F. Breese of this city was wed recently in San Francisco to Mr. William Mills Ray. The happy couple were the guests of the Breese's early the past week, returning to San Francisco to make their home. Mr. Ray is in business there. Mrs. Ray possesses a cultured voice and has many friends here who will extend congratulations.

Mr. and Mrs. Sage and grandson were in town several hours Friday.

### MARLIN YOUNG HAS BRTHDAY CELEBRATION

Marlin Young celebrated his 12th birthday early last week at the home of his mother, Mrs. Rose Young, entertaining relatives and friends at a turkey dinner. Two birthday cakes properly lighted were enjoyed.

Miss Lucille Fogarty returned from Marysville after a several day's visit with friends.

George Alderson was arrested in Grass Valley charged with reckless driving on a second offense count and was fined $100. His license was revoked.
